SUBJECT: Status of FY 62 and FY 63 Work Orders

TO:

Dear Wendell,

In accordance with Headquarters message 0411 a complete review has been made of FY 62 and FY 63 incomplete work orders. Incomplete work orders have been coordinated with suppliers and their records agree with Depot records.

It should be noted that items are being returned from repair daily and the status today will not necessarily mean this status will remain true for any definite period of time.

Work orders referred to in message 0411 and listed as part of amendment 18 to contract 1918 have been finalized by the Depot.

Sincerely,
